

Will there be a transition period? **Yes, one month for management costs. Detail must be provided in proposal.**

What percent of the contract can be applied to indirect charges to account for management and corporate support. Such as a de minimis rate of 10% without a federally approved indirect rate.

No more than 10 percent and provide detail.

Will the board consider a proposal with a profit percentage in the budget line item? **It is allowable.**

If there is no policy for profit, does this mean that profit will not be allowed for a new contractor? **N/A**

How will a for profit company be evaluated against a nonprofit company in the scoring processes? Profit is not an evaluation point. **Evaluation points are total cost and services provided.**

For profit company isn't listed as a provider. (Public, Private, and nonprofit are listed.) Is a for profit company eligible to be a OSO or any part of this RFP? **Yes**
