

Region 11 Service Provider RFP
Additional Questions

June 5, 2014

Q1. On page 17 states that the successful bidder will be allocated an amount for ITA and supportive service expenditures. Does this mean it should not be included in the budget we are submitting?

A: ITA and Supportive Service should be included in the budget.

Q2. I saw the clarification on the utilities and internet costs. Is there an amount we should be including for telephones?

A: Telephone is included with utilities and internet.
