

- You have stated that the JAG positions are funded through a separate grant
 - Is the \$360,000 grant included in the \$2million budget?
A: The \$360,000 is not included in the \$2 million

 - Are these employees payrolled by the contractor?
A: JAG employees are employees of the contractor.

 - Are these employees the responsibility of the contractor?
A: JAG employees are the responsibility of the contractor.

 - Are there any special considerations for these employees?
A: There are no special considerations for the JAG employees.

- The In-school youth enrollment numbers are significantly higher than the Out-of-school youth enrollment numbers. With WIOA's emphasis on 75% of its funds to be spent on OSY, can you explain the reason for the discrepancy?
A: Only a portion (25%) of the WIOA youth funds are allocated to In-School Youth for JAG. JAG is mainly funded by the \$360,000, which is not WIOA funds.

- Could you explain what ETA 3D and ETA 1D means on the organizational chart?
A: Disregard the 1D and 3D notations.
