Princeton, IN—On Wednesday, May 10<sup>th</sup>, 33 students from Southwest Indiana will sign to embark on a new journey for their future in a high-wage, high-demand career path. The Southern Indiana Federation of Advanced Manufacturing Education (So.INFAME) offers an earn-and-learn model for industrial maintenance positions through a partnership with Vincennes University. Students complete two years of coursework to earn their Advanced Manufacturing Technician associate degree. Participating employers for this program include AmeriQual, Berry Global, Hershey, TBIN, and Toyota.

Please come support these extraordinary individuals on their new workforce journey at Gibson County 4H Fairgrounds – Toyota Building.

The schedule for the day is as follows:

Signing – 10:30 am CST

Lunch – 11:30 am CST

Graduation – 12:30 pm CST
